

## Pitching, teamwork goes hand in hand with innovation!?

During the InE LIVE sessions, students' of the EIT HEI InnoChange project had the chance to form – multidisciplinary and international student teams (student classrooms) and develop their innovative ideas, presentations.

The EIT HEI InnoChange project also provides 2 exercises, workshops:

- a 24-hour-long Online Hackathon (3 – 4 December 2021) – with GE Healthcare and the
- 3-hour-long „mini-workshop” the IdeaHack (7 December 2021, from 1 to 4 pm CET) – with Cambden BRI.

To make it REAL, challenges and a jury are provided by InnoChange associated (industrial) partners GE Healthcare Hungary and the CambdenBRI.

Yes, yes THE enormous GE and Cambden BRI will be with us!

Select the event that matches your needs the most, discuss with your team if you would participate together and take this (free – EU funded) opportunity to practice, to prepare for your future entrepreneurial career!

Who knows? Maybe you will become an entrepreneur during your studies or 5, 10 years after graduation.

Meet companies, experts, be mentored advised by them, learn techniques, register here:
